

what they're saying...

"I don't think I could live without my glōminerals pressed powder."
—Bobbie Thomas, TODAY Show Style Editor

"TODAY Show" Style Editor Bobbie Thomas' background in psychology, impeccable eye for style and genuine, infectious personality has taken her from counselor at a rape crisis center to the red carpet, promoting her message that "beauty truly comes from the strength within." Carolina Bride took a minute to ask Bobbie a few fun questions...

Q&A

If you were stranded on a deserted island and could only take one beauty item, what would you take?

glōminerals. I don't think I could live without my **glōminerals pressed powder.** It's my SPF and it makes me feel like my skin tone is even. I love it.
